The Islamic Education Center is a spring that quenches the thirst of those looking for true spirituality in the desert of materialism, a huge blessed tree to rest under its wide shadow from the heat of corruption which exists elsewhere, a masjid to supplicate and pray in, a school to learn in, a center to provide and receive services, and eventually a place to get near to Allah through righteous activities. We praise Allah (swt) for helping us to be one of the unique communities that has been able to maintain its unity and provide services to the Muslim community and progress year after year.

M.A.H.D.I. Group

MUSLIMS AGAINST HUNGER DISEASE & INJUSTICE ("MAHDI") is a volunteer based, charitable organization whose motto is "Dawah Through Service". The group's mission is to help alleviate hunger, disease and injustice in our society through innovative and dynamic programs; such as: the Feed the Body and Mind program and the upcoming MAHDI Cares bulk food program for Muslim families in need.

The MAHDI Group meets every Sunday after Fajr Prayers at the IEC.

Let (Ashura) mourning gatherings in commemoration of the Master of noblemen and the oppressed (Imam Hosein (a.s.)) be held with increasing attendance and splendour for these ceremonies mark the triumph of reason over ignorance, justice over tyranny, trust against treason and Islamic rule over that of the Taghout. Let the blood-smearing flags of Ashura be hoisted higher as token of the arrival of the day for the oppressed to take their revenge. - Imam Khomeini
