## Holy Month of Ramadhan

*The holy month of Ramadhan brings blessings and responsibilities on the believers*

**B**y the grace of Allah (swt) the Islamic holy month of fasting is once again before us. It is a time for us to rejuvenate ourselves with purification of the souls through fasting, supplication and reflection. It is a month in which we will have a tremendous opportunity to meet with each other as a community to give thanks to Allah (swt) for all the blessings He has showered upon us in the past and to plan for the future.

It is also the month which is witness to the night of Grandeur, also known as the *Laylatul Qadr* in Arabic. Due to the honor of this special night (considered better than a thousand months according to the Holy Qur'an) we spend it in prayers and worship. We ask Allah (swt) for his mercy and implore Him to guide us on the path of Islam.

The last Friday in the month of Ramadhan has been declared as the day of Quds by the late Imam Khomeini (ra). Quds day which falls on October 5<sup>th</sup> this year is a day of action. It is a day when we are to express our concern over the usurpation of the Muslim lands and the plundering of their resources and the vast devastation of innocent lives. Quds Day is not only for the plight of the Palestinians rather it is for the entire Ummah. As in the past we will hold a protest demonstration in front of the Israeli embassy on the intersection of Wesleyan and Hwy-59. More details will be made available soon insha-Allah.
